

Hopewell Federal Credit Union

Summer Newsletter 2023

Letter from the President

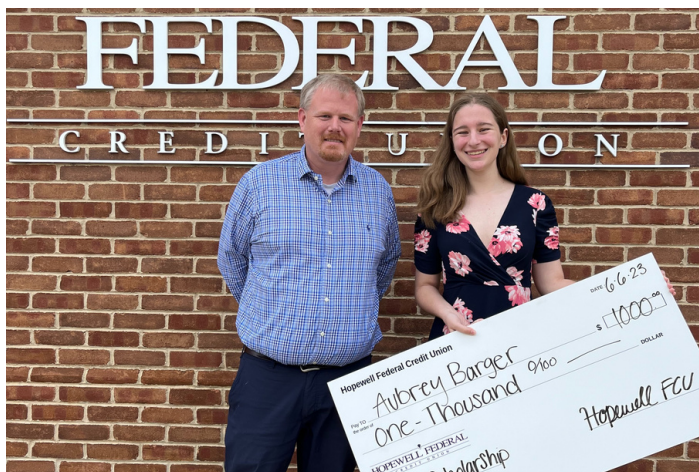

Can you believe that we are already past the midpoint of the year? I hope that you have an opportunity to get outside and enjoy all that summer has to offer.

If you are looking to do home improvements or take that relaxing vacation, please consider your credit union for your borrowing needs. We have many competitive fixed rate options from our equity programs, personal loans, and credit cards. We made some great investments in our product delivery this year and soon we will be releasing a new online portal that will allow you to apply for a loan, potentially get an immediate decision, and sign your documents from the comfort of your home. This is just one more added convenience of doing business with Hopewell.

I encourage you to read through this newsletter to see some important announcements regarding our well deserved 2023 scholarship winner and information regarding our annual car show coming up in August. We hope to see you there for the car show on August 26th with all proceeds supporting our friends over at the Licking County Humane Society. Thank you for being a loyal member of your credit union. Enjoy your summer!

Hopewell Federal Credit Union President, Chris Simmons.

CEO Chris Simmons with Aubrey Barger

Scholarship Winner

The 2023 Hopewell Scholarship was awarded to Aubrey Barger. Aubrey is a graduate from Licking Valley High School and is going to OSU to study Computer Science. Aubrey is very involved in her community. She is in 4H where she volunteered a lot of her time to mentoring, The Licking County Aging Program and at the Hartford Fair. Aubrey also was a member of the National Honor Society and Licking Valley High School Band.

Hopewell is proud to help Aubrey achieve her goals in continuing her education!

Community Event

Hopewell will be hosting our annual Car Show on August 26th. This event is open to the public and is family friendly! You can register any year, make or model for \$10. Car registration is from 10am to 1pm and awards will be handed out at 1:45. We will also have a DJ, 50/50 Raffle and Door Prizes.

All of our proceeds are donated to the Licking County Humane Society. They are a non-profit, volunteer organization devoted to humane treatment of animals.

5:1 Adjustable Rate Mortgage

Adjustable-Rate Mortgages (ARMs) offer cost-saving options for homebuyers. Especially homebuyers that do not plan on owning their home for more than 5 years or plan to refinance when the initial rate period ends. ARMs allow you to lock in an interest rate for a period of time and the option to sell or refinance when the rate becomes variable. Learn more on our website!
