

Hopewell Federal Credit Union

Fall Newsletter 2023

Letter from the President

First, let me thank you for being a loyal member-owner of your credit union. I am proud to be part of a credit union that supports the communities we have the privilege of serving. Hopefully you had an opportunity to stop by our annual car show back in August. Due to the tremendous turnout and support from our sponsors and members, we were able to provide a record donation to our friends at the Licking County Humane Society.

Now that the autumn season is upon us, it may be time to fall into a vehicle loan or consolidate debt with our fixed rate credit card. I would encourage you to take a look at our new digital and mobile application. You can now apply, receive a decision, and close on a vehicle, personal, or credit card application all in the comfort of your home. In the next few months, we will be expanding the system to allow you to open additional deposit accounts and even allow potential members to join the credit union.

If I can be of service to you, please do not hesitate to contact me at csimmons@hopewellfcu.org. I hope you have a wonderful fall season!

LCHS Donation

With the help of our Sponsors, community members and the HFCU Staff; we had a very successful Car Show in August. We had over 70 cars register. Poppy's Roadside Diner provided food for the event. And the Licking County Humane Society brought some of their available dogs to our event to meet everyone. Last month we had the chance to donate \$4,200 to LCHS. This donation helps them to rescue over 1500 animals each year! They were very thankful for all of the love and support from the community at our Car Show!

United Way Fundraiser

The staff at Hopewell FCU had a month long fundraiser to benefit the United Way of Licking County. Staff put together raffle baskets for members to participate in. We had a bake sale twice a week where baked goods were made by staff or donated from local bakeries. As a reward for hitting our goal, the HFCU president/CEO Chris, let staff “pie” him in the face. We had a great time raising money for a great cause!
